Satisfactory Academic Progress

In order to progress satisfactorily through an educational program, students must meet the following standards of Satisfactory Academic Progress (SAP) or they will be dismissed from NPTI.

- 1) All students must complete their program within the Maximum Time Frame (MTF), which is 1.5 times the expected time for program completion.
- 2) Maximum clock hours reflect the maximum allowable clock hours before a student is required to graduate or is disqualified from a program.
- 3) Certificate students must maintain a minimum cumulative grade point average (GPA) of 2.0 to meet graduation requirements. (See Grading for information on how to calculate GPA.)
- 4) Withdrawals remain on the transcript, and no grade points are assigned. “W” is a permanent grade. A withdrawal does not affect the cumulative grade point average (CGPA).
- 5) No grade points are assigned for an “I” grade. An “I” or incomplete does not affect the cumulative grade point average (CGPA).
- 6) Students may be required to, or may choose to repeat a class in order to improve academic performance. Certificate students may repeat up to one course. Classes may only be repeated one time. Students may not repeat courses in which a grade of “B” or better has been earned. The new grade will be included in the GPA computation and the first attempt will be removed. The first attempt will be notated with an “R” on official transcripts, but will-not be included into GPA calculations. Students will be charged the full tuition rate when repeating a course.
- 7) Transferred credit receives no grade for each transferred class, and the credit is not entered into grade point average. Transfer credit does not affect the Maximum Time Frame.

Clock Hours for Completion	Maximum Time Frame	Maximum Time Frame
300	3 Months	4.5 Months
500	6 Months	9 Months

The following measurements are used to determine Satisfactory Academic Progress:

1. A percentage of the Maximum Time Frame (MTF);
2. Minimum cumulative grade point average (GPA);

Students who have reached 100% of their MTF are ineligible for Academic Probation, and are subject to immediate dismissal from NPTI.

Policies on Satisfactory Academic Progress (SAP)

- Students are required to abide by attendance policies to achieve Satisfactory Academic Progress.
- The following grades will lower the percentage of courses successfully completed because of their inclusion in courses attempted:

- ❖ F or Failing
- ❖ NP or No Pass
- ❖ I or Incomplete
- ❖ W or Withdrawal
- Course repetitions will be counted twice in the percentage of courses attempted, but will only be applied once toward the number of courses completed.
- Courses that have been audited or transferred from another institution are not calculated into the GPA for purposes of SAP.
- If a student completes or leaves the SSU Certificate program and later seeks readmission, or a higher degree at SSU, the Certificate credits/grades will carry over to the new SSU program for purposes GPA and SAP.

Academic Probation

Students who fail to abide by the terms of SAP will be placed on academic probation. A student in the Certificate Programs must maintain an overall grade point average of 2.0 for all Certificate work attempted. A grade point average of less than 2.0 will result in the student being placed on academic probation.

A student is also subject to academic probation if s/he has two or more ‘Incompletes’ at any time. An “Incomplete” for more than one month reverts to an "F" (failing) grade.

When a student is placed on probation because of a substandard grade-point average, the student is required to meet with an Academic Advisor. A plan for improving the grade-point average to a 2.0 level or above is made. Certificate students are allowed two months to correct their academic deficiencies (if they do not exceed the Maximum Time Frame). NPTI recommends that if possible any coursework in which a letter grade of “D” or “F” was earned should be repeated while on academic probation.

If a student corrects their academic deficiencies within the allowable timeframe, they will be removed from probationary status.

SAP Dismissal

Students who are on Academic Probation will be dismissed from NPTI if they fail to abide by the terms of their Academic Probation and/or do not rectify their academic deficiencies in the time allotted.

Students may also be dismissed for failure to make Satisfactory Academic Progress (please see course Repeat policy).

Satisfactory Academic Progress Dismissal Appeals Policy

Satisfactory Academic Progress (SAP) defines the standards that NPTI students must meet to continue their studies; failure to meet these standards will result in dismissal from NPTI. Prior to being dismissed from NPTI, when a determination has been made that a student is not meeting SAP, that student will be placed on academic probation (see above section on Academic Probation for probationary terms). If the student fails to meet the terms of their

academic probation and correct their academic deficiencies, they will be summarily dismissed from NPTI (SAP Dismissal).

If a student has been dismissed due to not meeting SAP standards, and wishes to appeal his/her dismissal, the student should first consult with his/her Academic Advisor. If, at the conclusion of any such consultation, the student does not believe there are legitimate grounds for their dismissal, they may file an SAP Dismissal Appeal with the Chief Academic Officer.

An SAP Dismissal Appeal is normally granted when a student can document that a) they have met the terms of their academic probation, and b) legitimate mitigating circumstances, beyond the student's control, were present which affected their academic performance (i.e., personal illness or accident, illness or accident of immediate family or family member, loss of housing, military duty, etc.). An SAP Dismissal Appeal must address the student's compliance with the terms of their probation and explain the mitigating circumstances that led to the substandard academic performance during the probationary period that resulted in their dismissal. Supporting documentation (e.g., doctor's notes, military orders, etc.) must be included with the appeal to substantiate the mitigating circumstances.

The Chief Academic Officer is looking for evidence that a student has met the terms of their academic probation and adequately identified and resolved the issues that led to their substandard academic performance before granting an appeal and permitting them to continue their studies on a reinstatement probationary month. Students should provide an explanation of how the circumstances have been resolved, changed or will be different if they are reinstated and permitted to continue their studies. It is strongly recommended that a student meet with their Academic Advisor before submitting their appeal.

To be considered, a student's SAP Dismissal Appeal must be submitted within 15 days after they have been notified of their dismissal and must include any and all evidence and documentation. A student's appeal is considered complete when it is submitted and students will not be permitted to supply any additional facts and/or documentation on their own volition; however, a student may be asked for additional information if it is deemed necessary by the Chief Academic Officer.

A final decision by the Chief Academic Officer will be rendered within 15 days of the SAP Dismissal Appeal submittal. The decision of the Chief Academic Officer is final and cannot be appealed.

The appeals process does not affect the maximum time frame. An appeal does not stop the clock on graduating within the specific time period.

Qualifying Appeals

If a student qualifies for an appeal based on mitigating circumstances, the student will be placed on a reinstatement probationary month. At the end of a student's reinstatement probationary month, the student will either: 1) be dismissed; 2) remain on reinstatement for one additional month; or 3) be returned to good standing. Requirements and criteria for each of these are as follows:

1. The student is dismissed if:
 - a. They withdrew from all courses during the month; or
 - b. The GPA for the reinstatement probationary month was below 2.0.
2. The student remains on reinstatement probation for one additional month if the student's GPA for the reinstatement probationary month was at least 2.0 but the student's cumulative GPA remains below 2.0. At the end of the second reinstatement probationary month, the student is dismissed if:
 - i. The student withdrew from all courses during the month; or
 - ii. They have not corrected their academic deficiencies and their cumulative GPA is below 2.0.
3. The student returns to good standing if:
 - a. The student has completed the month; and
 - b. The student's cumulative GPA has improved to at least 2.0.

Withdrawal and Cancellation Policy

Withdrawal/Cancellation Policy: The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh (7th) day after enrollment, whichever is later. If warranted, monies will be refunded according to the Refund Policy outlined below. Students must notify the director in writing of their intention to withdraw from the program. Student's must send their written intention of cancellation/withdrawal to:

National Personal Training Institute
Attention: Dana Underwood
2533 R Street Sacramento CA 95816

Refund Policy

Students must notify the director in writing of their intention to withdraw from the program. A notice of cancellation shall be in writing, and a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

This institution shall refund 100 percent of the amount paid for institutional charges, minus any non-refundable fees, if notice of cancellation is made through attendance at the first class session, or the seventh (7th) class day after enrollment, whichever is later. The student will also receive a 100 percent refund for all textbooks and materials returned.

NPTI has and maintains a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued there at anytime prior to completion. The amount charged to the veteran or eligible person for tuition, fees and other charges does not exceed the approximate pro rate portions of the total charges for tuition, fees and other charges and that the length of the completed portion of the course should bear to its total length

The institution shall pay or credit refunds within 45 days of a student's cancellation or withdrawal.

Refunds will be paid according to the following formula:

A non-refundable registration fee is deducted from the total amount paid for the course. The remaining amount is then divided by the total number of hours in the course. This amount constitutes the “per hour” charge for the course. Finally, the number of incomplete hours in the course is multiplied by the “per hour” charge. The remaining amount is the refund that is owed to you.

Student Complaint Procedure

From time to time, differences in interpretation of school policies will arise among students, faculty, and/or the administration. When such differences arise, usually a miscommunication or misunderstanding is a major contributing factor. For this reason, we urge both students and staff to communicate any problems that arise directly to the individual(s) involved. If the problem cannot be resolved in this manner, contact the Director either in writing or by phone:

Director of Student Affairs
Dana Underwood
2533 R Street Sacramento CA 95816

Within 10 days the director will review the matter and determine the course of action to be taken and proceed accordingly. There will be a report on the incident and subsequent action taken which will be placed in the students file.

A student or any member of the public can may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling **(888) 370-7589** or by completing a complaint form, which can be obtained on the bureau’s Internet Web Site **<http://www.bppe.ca.gov/>**

Student Grievance Policies and Procedures

NPTI continually strives to provide a fair and reasonable governing system and is committed to ensuring that all parties have access to the information they need regarding the NPTI's policies and procedures. Note that grades are not grievable under this policy (see Grade Appeals in this Catalog).

For students, NPTI adheres to the following Student Grievance Procedure:

1. If a student has a grievance regarding services or academic procedures, the student must first take responsibility for resolving the grievance by talking with the party with whom they have a grievance. If the matter is resolved at this level (level one), it is considered an informal grievance and NPTI does not keep a record of the matter.
2. If the matter is not resolved at level one, the student may bring the matter to the attention of a NPTI administration. An administrator employing a fact gathering procedure in which both parties, and any third parties involved, are asked to review the facts of the matter investigates a grievance at this level. If the matter is resolved at this level (level two), NPTI may provide the student with a written response and keep a record of the resolution, but it is still considered an informal grievance.
3. If the matter is not resolved at level two, the student may file a Formal Complaint. To do this the student obtains (from the Chief Executive Officer) a Student Complaint Form, completes it, and takes it to the CEO to discuss his/her concerns. In this discussion the student should provide all of the facts and names of those who may be aware of the problem. The institution shall, within 15 days of receiving the complaint, act on the matter.

At any time, the student has the right to file a complaint with the California Bureau for Private Postsecondary Education at the addresses below.

Student Tuition Recovery Fund:

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school.

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

For more information on STRF, please contact the BPPE at (888) 370-7589 or bppe@dca.ca.gov (www.bppe.ca.gov)

Student Tuition Recovery Fund: The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school.

Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.

7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

For more information on STRF, please contact the BPPE at (888) 370-7589 or bppe@dca.ca.gov (www.bppe.ca.gov)
